In Support of Community Schools

Maryland schools rank #1. *Let's be #1 in all communities.* Baltimore is leading the way with Community Schools!

Tues., October 21, 2014
4:00 p.m.
City Hall

Throughout Baltimore, Community Schools are transforming public education. Community Schools are rooted in their local communities. Building innovative partnerships with non-profits, city agencies and businesses, Community Schools multiply public resources to bring top-quality academics, services and programs to ensure children are physically, emotionally, and socially prepared to learn.

Community Schools are committed to strengthening families and neighborhoods.

Join us at this family-friendly gathering to urge the Mayor, the City Council, and the Board of School Commissioners to expand Baltimore's vision and investment in spreading a Community School strategy throughout our city.
